Brian and Karen,

What is the new deadline for getting this to the review panel?

I don't know if it has been set up but Keith S. offered to lead the panel because he has been heavily involved in the synergism studies.

Ex. 5 - Deliberative Process

Thanks!

Donna

Hi Donna and Rick,

Ex. 5 - Deliberative Process

Ex. 5 - Deliberative Process

I think all of the pieces are there and I agree with the conclusions, I just think a little more clarification on these things would be helpful.

Again, great job! And let me know if you have any questions on my comments.

Thanks,

Melissa

Melissa and Ron,

I understand that you will be doing the branch review on the PBO Reg. Review PRA. It is ready now, although there are a few placeholders, such as I ran out of time for checking my references and haven't added the lists of submitted studies, yet. Also, I have included a couple of highlighted questions to you for your feedback, such as:

Ex. 5 - Deliberative Process

Sorry we missed the first couple of deadlines for this. It is a huge amount of info, but Rick and I have been working very hard and I think it is in decent shape now and so hopefully the review won't be too difficult. Thanks very much for taking time to review this and please Rick or me know if you have any questions. I am out tomorrow but in

next week.

Thanks!

Donna
